

Hello Summit North Members -

The Event Committee would like to communicate the following regarding upcoming community events and committee participation in 2024.

The committee is currently responsible for coordinating the following events throughout the year:

- **Community Garage Sale (scheduled for Saturday April 13, 8 am-3 pm):** neighbors host sales at their individual homes, and the committee will publicize the sale with a banner at the gate as well as notices on various community Facebook pages. The gate will be open for the duration of the sale.
- **4th of July Potluck:** usually held at the “park” area near the mailboxes, 5-8 pm. The committee is responsible for advertising, setup and for hotdogs, plates, etc. Neighbors bring dishes to share.
- **Texas Night Out:** first Tuesday in October. The committee will advertise this as well and contact the Sheriff for a visit. This is also a potluck at the park area.

We would like to add other community-wide events in the future, pending more interest in committee membership.

Neighbors interested in coordinating events (such as children’s play groups, wine tours, book clubs, craft workshops, bunco, etc) are welcome and encouraged to do so; there’s no requirement to obtain event committee or board approval. However, such activities should be held in neighbors' homes/properties or outside the neighborhood and will not be funded by the committee.

Only board approved/ sponsored events should be scheduled at the park area due to liability concerns.

As always, the Event Committee welcomes suggestions and participation; to volunteer for the committee or for the scheduled events, please contact Becky Felan: beckyfel51@gmail.com
